Abstract: In this paper, the author has carried out a revision of inaccurate citing of original papers for some species and names of species in Flora Reipublicae Popularis Sinicae 57(1) & 57(2).

Key words: *Rhododendron*; original paper; Flora Reipublicae Popularis Sinicae

在进行杜鹃花有关工作过程中,发现《中国植物志》和一些地方植物志在杜鹃花部分种类的原始文献引证方面有误,这些失误一部分虽然在2005年出版的“Flora of China”中得到更正,但少数种名、尤其是大部分已作为异名的名称在“Flora of China”中仍然没有列出正确的原始文献,而对于我国大多数从事杜鹃花工作的有关人员或爱好者,更多使用的工具书还是《中国植物志》和地方志,作者认为有必要对这些名称的原始文献引证作修正。
